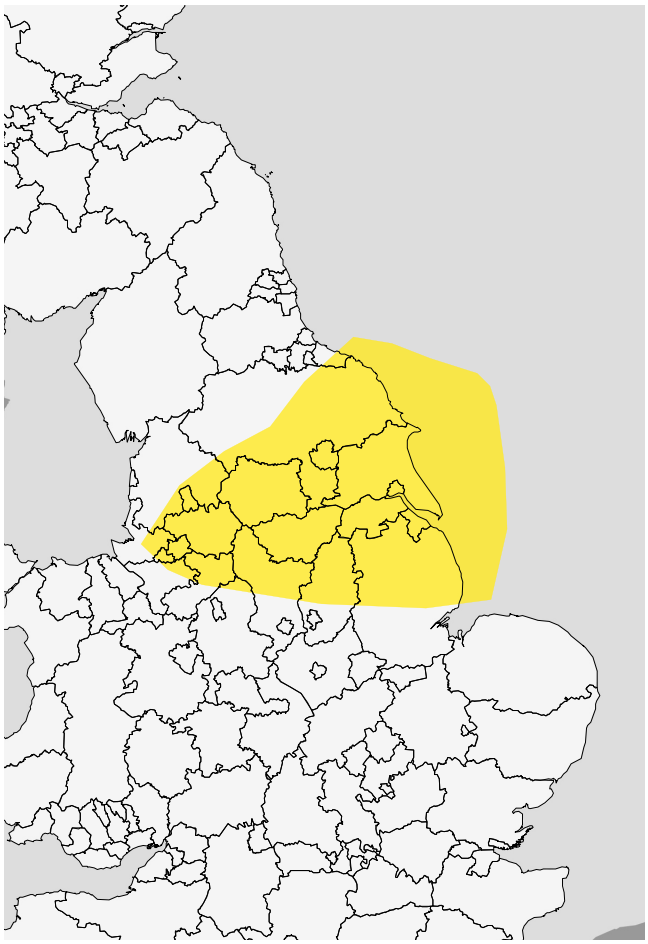
Yellow warning
Thunderstorm

Between
12:49 Fri 3 Aug 2018 and
21:00 Fri 3 Aug 2018



Thunderstorms will continue to develop

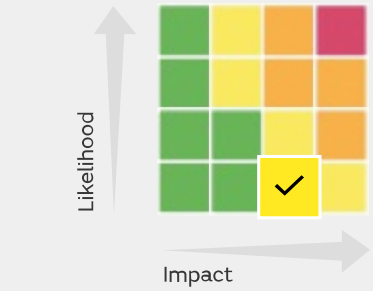
What to expect

- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost

Further details

Thunderstorms have developed over parts of northern England will move eastwards during the rest of Friday and clear into the North Sea during Friday evening.

Many places will miss these but there is the potential for these to intensify on Friday afternoon to give 20-30 mm of rain in an hour and perhaps 40 mm in 3 hours. Most places will see much less rainfall however. Lightning is also likely associated with the heavy rain.



Very low likelihood of medium impacts

Issued at 12:49 Fri 3 Aug, 2018
